Synopsis: All about Lisbon. Four stories in the same old city. Different characters are looking for their place in the city, they are wondering about their wildest dreams. Sometimes it's good to think about what could be happening in your own city.

Short Bio-Filmography: "Here in Lisbon" is a film directed by Denis Côté, Dominga Sotomayor, Gabriel Abrantes, and Marie Losier to celebrate Indielisboa's tenth anniversary. Having all been selected and awarded in previous editions of IndieLisboa - International Independent Film Festivals, these four directors were chosen to celebrate the richness and values of independent filmmaking.
